

**WYCKOFF**  
**SCHOOL DISTRICT**

ONE COMMUNITY. ONE VISION. ONE STUDENT AT A TIME.

# ***Number Sense and Fluency***

**with District Math Consultant, Bill Jackson**

**Wednesday, May 12th, 2021**  
**And Thursday, May 13th, 2021**

***Wednesday, May 12th 2:00-3:00pm***  
***Math Fluency in Kindergarten - Grade 2***

**[Click here to join the session](#)**

What does it mean to be fluent in math? Please join us for a hands-on experience with our math consultant, Bill Jackson to learn about math fluency in the primary grades and ways to support your children in developing math fluency with addition and subtraction facts in Kindergarten - Grade 2.

***Thursday, May 13th 2:00- 3:00pm***  
***Math Fluency in Grades 3-5***

**[Click here to join the session](#)**

Our approach to teaching multiplication and division goes beyond memorization of basic facts. What does it mean to be fluent in math? Please join us for a hands-on experience with our math consultant, Bill Jackson to learn ways to support your children in developing math fluency with multiplication facts and number sense in grades 3-5.

**\*\*This is a repeat session from the Winter\*\***
